

# There is no poop fairy.

## *IN EAST HARLEM CAMPAIGN*

**WE NEED VOLUNTEERS!**  
**Saturday, August 25th, 2012 / 9:00 AM**  
**Thomas Jefferson Park & Recreation Center**

Dog waste doesn't biodegrade. It sticks around for a long time. Meanwhile it contains harmful bacteria, pollutes groundwater, smells horrible, and we bring it into our homes on the bottom of our shoes. Please help keep our neighborhood free of poop piles by joining us in this important public service health campaign.
